

Wael Sobhy

Instructor of Hydraulics And Pneumatics Systems

Mobile: 0020 114 380 7800
E-mail: welhyd@yahoo.com
Website: www.welhyd.com

Personal Data

Family name: Soliman
First names: Wael
Date of birth: 15th July, 1966
Place of birth: Shoubra – Cairo
Nationality: Egyptian
Civil status: Married
Military status: Completed

Education

B.Sc. Mechanical Engineering, Production dept. Oct. 1985 – June 1990
Faculty of Engineering, Menofia University
Grade: Good Project: Excellent

Languages skills

English Excellent
Germany Fair

Membership

- Associations of International Fluid Power Society IFPS - USA
- Association of Egyptian Engineers in Riyadh - KSA
- Associations of Egyptian Society for Mechanical Engineers - Egypt
- Associations of Federation of Arab Engineers

Licenses & Certifications

- Certified as Automation Studio Instructor from Famic Technology Inc. - Canada
- Certified as Principle instructor in Rexroth Bosch Group Training Partner - KSA
- Certified as Instructor from International Civil Aviation Organization - ICAO
- Certified as Instructor of Hydraulic and Pneumatic and PLC systems from Technical and Vocational Training Corporation – KSA
- Certified as Master Hydraulic Instructor in Reform of the TVET Systems

Professional experience

Technical Support Manager

Atos and Marzocci Agency in KSA - Hydraulic City

August 2008 – October 2010 , Riyadh, Saudi Arabia

As technical support manager for hydraulic and pneumatic systems

Design and impalement hydraulic power packs

Technical advisor & Principle instructor

Bosch Rexroth Training Partner Agency in KSA - AGETC

March 2007 – July 2008 , Riyadh, Saudi Arabia

As a technical advisor & principle instructor for hydraulic, pneumatic and PLC control systems

Hydraulic Manager

Engineering Task Group (ENTAG)

January 2003 – February 2007

As a hydraulic manager for design & implementation of hydraulic systems for equipment related to solid waste and agricultural, Residues treatment projects.

Technical Office & Training Manager

Kawasaki Agency in Egypt – EMA Group

January 2000 – December 2003

As a technical office & training manager

Design & implementation of hydraulic power units for different applications,

Marketing manager for hydraulic & pneumatic systems in October branch

Sales Engineer

Mannesmann Rexroth Agency in Egypt – Yasser Fahmy Co.

January 1995 – December 1999 , Cairo, Egypt

As a sales engineer for hydraulic power units and pneumatic components

Maintenance Engineer

Arab Organization for Industrialization - Aircraft Factory

April 1993 – December 1994 , Cairo, Egypt

As a Maintenance Engineer for Hydraulic and pneumatic equipment.

Developer of an integrated software Program

Egyptian air Force Command - Vehicle Department

January 1991 – March 1993 , Cairo, Egypt

As a Developer of an integrated software Program to follow-up and Control the State of Spare Parts Store

Other Relevant Information

- Winner of the Second conference for Egyptian Engineers Association Prize, 2010 for research in field of "Fault Analysis of Hydraulic Systems"
- Winner of the Academy of Scientific Research and Technology Prize, 1992 for research in field of "Atomic Power and its Peaceful Uses".

He designed and performed since 2000 till now, many training courses and specialized diplomas in field of Hydraulics and Pneumatics Systems in:

- American University in Cairo (AUC)
- Egyptian Aviation Academy
- Mubarak-Kohl Project for Dual System Technical Education
- Technology Competency Center of the Ministry of Industry
- Faculty of Engineering – in both of Ain Shams, Zakazyk and Helwan Universities
- Egyptian Engineering Syndicate in Cairo
- HADEED SABIC Co., Al – Jubail - KSA.
- First Vocational Industry Institute in Riyadh – KSA
- Proctor and Gamble Co. – October City – Egypt
